He doesn't think he has the stamina to. Corporal Swley wasn't saying anything, which was significant because Swley was usually a pretty good judge of what was what. His silence meant that he didn't agree with what was being said. When Swley agreed with something, he said he didn't agree. When he really didn't agree, he said nothing. He never said he agreed with anything. When he had decided that he felt fine after the dietitian discovered the standing order for spinach and fish, the Medical Officer hadn't been able to accuse him of faking anything because Swley had never agreed with anybody that he was sick; all he'd said was that he had stomach cramps. The M.O. had diagnosed that anybody with stomach cramps on his own time had to be sick. Swley hadn't. In fact, Swley had disagreed, which should have been obvious because he hadn't said

A Tenure of Landholdings Act was passed, declaring that all property rights were transferred to the civil administration and that legally recognized deeds of title for existing and prospective holdings could be purchased at market rates for Terrans and in exchange for nominal fees for officially registered Chironian residents, a concession which was felt essential for palatability. Employment by Terran enterprises would enable the Chironians to earn the currency to pay for the deeds to their homes that the government now said it owned and was willing to sell back to them, but they had grounds for gratitude-it was said- in being exempt from paying the prices that newly arrived Terrans would have to raise mortgages to meet. At the same time, under an Aliens Admissions Act, Chironians from outside would be allowed entry to Phoenix only upon acquiring visas restricting their commercial activities to paying jobs or approved currency-based transactions, for which permits would be issued, or for noncommercial social purposes. Thus the Chironians living in or entering Phoenix would cease, in effect, to be Chironians, and the problem would be solved..her mother dissolved so often in tears, which was scary because it implied a degree of delusion that made.it.".still pursue him..to do. To the delight and applause of the staff and residents, he walked outside and released. "Exactly, Jay. What you have is an ascending hierarchy of increasing levels of complexity. At each level, new relationships and meanings emerge that are functions of the level itself and don't exist at all in the levels beneath. For instance, there are twenty-six letters in the alphabet. One letter doesn't carry a lot of information, but when you string them together into words, the number of things you can describe fills a dictionary. When you assemble words into sentences, sentences into paragraphs, and so on up to a book, the variety is as good as_ infinite, and you can convey any meaning you want. Yet all the books ever written in English only use the same twenty-six letters."
