And now today, we will problem one to use analyzing **Get Free Report Of Proceedings Of The International Fire Prevention Congress Convened In London England July 6th To 11th 1903 eBook** as among the analyzing stuff to accomplish quickly. ? ? ? ? He shot me with the shafts of looks launched from an eyebrow's (138) bow; A chamberlain (139) betwixt his eyes hath driven me to despair..When they heard me speak in Arabic, one of them came up to me and saluting me [in that language], questioned me of my case. Quoth I, 'What [manner of men] are ye and what country is this?' 'O my brother,' answered he, 'we are husbandmen and come to this river, to draw water, wherewithal to water our fields; and whilst we were thus engaged to-day, as of wont, this boat appeared to us on the surface of the water, issuing from the inward of yonder mountain. So we came to it and finding thee asleep therein, moored it to the shore, against thou shouldst awake. Acquaint us, therefore, with thy history and tell us how thou camest hither and whence thou enteredst this river and what land is behind yonder mountain, for that we have never till now known any make his way thence to us.' But I said to them, 'Give me somewhat to eat and after question me.' So they brought me food and I ate and my spirits revived and I was refreshed. Then I related to them all that had befallen me, wherethat they were amazed and confounded and said, 'By Allah, this is none other than a marvellous story, and needs must we carry thee to our king, that thou mayst acquaint him therewith.' So they carried me before their king, and I kissed his hand and saluted him..22. El Hejjaj and the three Young Mem cccxxxiv. ? ? ? ? a. The King and his Vizier's Wife dlxxviii.III Effects of Precipitation, Of the, i. 98..Then she went away, and when the girl's master came, she sought his leave to go with the old woman and he granted her leave. So the beldam took her and carried her to the king's door. The damsel entered with her, unknowing whither she went, and beheld a goodly house and chambers adorned [with gold and colours] that were no idol's chambers. Then came the king and seeing her beauty and grace, went up to her, to kiss her; whereupon she fell down in a fit and strove with her hands and feet. When he saw this, he was solicitous for her and held aloof from her and left her; but the thing was grievous to her and she refused meat and drink, and as often as the king drew near her, she fled from him in affright, wherefore he swore by Allah that he would not approach her, save with her consent, and fell to guerdoning her with trinkets and raiment, but she only redoubled in aversion to him..As for Belehwan, when he fled and fortified himself, his power waxed amain and there remained for him but to make war upon his father, who had cast his affection upon the child and used to rear him on his knees and supplicate God the Most High that he might live, so he might commit the commandment to him. When he came to five years of age, the king mounted him on horseback and the people of the city rejoiced in him and invoked on him length of life, so he might take his father's leavings (130) and [heal] the heart of his grandfather..Now the king's vizier had two daughters, own sisters, the elder of whom had read books and made herself mistress of [all] sciences and studied the writings of the sages and the histories of the boon-companions, (160) and she was possessed of abundant wit and knowledge galore and surpassing apprehension. She heard that which the folk suffered from the king and his despiteous usage of their children; whereupon compassion gat hold upon her for them and jealousy and she besought God the Most High that He would bring the king to renounce that his heresy, (161) and God answered her prayer. Then she took counsel with her younger sister and said to her, 'I mean to contrive somewhat for the liberation of the people's children; and it is that I will go up to the king [and offer myself to him], and when I come to his presence, I will seek thee. When thou comest in to me and the king hath done his occasion [of me], do thou say to me, 'O my sister, let me hear and let the king hear a story of thy goodly stories, wherewithal we may beguile the waking hours of our night, till we take leave of each other.' 'It is well,' answered the other. 'Surely this contrivance will deter the king from his heresy and thou shalt be requited with exceeding favour and abounding recompense in the world to come, for that indeed thou adventrest thyself and wilt either perish or attain to thy desire.' They have departed, but the steeds yet full of them remain, ii. 239..? ? ? ? Our Lord, after sev'rance, with them hath conjoined us, for he who doth good Shall ne'er disappointed abide and kindnesses kindness entail..? ? ? ? f. The Lady and her Two Lovers dccccxxxiv.Now this present was a cup of ruby, a span high and a finger's length broad, full of fine pearls, each a mithcal (211) in weight and a bed covered with the skin of the serpent that swalloweth the elephant, marked with spots, each the bigness of a dinar, whereon whoso sitteth shall never sicken; also an hundred thousand mithcals of Indian aloes-wood and thirty grains of camphor, each the bigness of a pistachio-nut, and a slave-girl with her paraphernalia, a charming creature, as she were the resplendent moon. Then the king took leave of me, commending me to the merchants and the captain of the ship, and I set out, with that which was entrusted to my charge and my own good, and we ceased not to pass from island to island and from country to country, till we came to Baghdad, when I entered my house and foregathered with my family and brethren..? ? ? ? By Him whom I worship, indeed, I swear, O thou that mine eye dost fill, By Him in whose honour the pilgrims throng and fare to Arafat's hill,.Accordingly, the king bade fetch the girl [and she came]. Then there befell that which befell of his foregathering with the elder sister, and when he went up to his couch, that he might sleep, the younger sister said to the elder, 'I conjure thee by Allah, O my sister, an thou be not asleep, tell us a story of thy goodly stories, wherewithal we may beguile the watches of our night, against morning come and parting.' 'With all my heart,' answered she and fell to relating to her, whilst the king listened. Her story was goodly and delightful, and whilst she was in the midst of telling it, the dawn broke. Now the king's heart clave to the hearing of the rest of the story; so he respited her till the morrow, and when it was the next night, she told him a story concerning the marvels of the lands and the extraordinary chances of the folk, that was yet stranger and rarer than the first. In the midst of the story, the day appeared and she was silent from the permitted speech. So he let her live till the ensuing night, so he might hear the completion of the story and after put her

to death..One day, as the prefect sat [in his house], the watchman came in to him and said, "O my lord, the Jew goeth to the house of such an one." Whereupon El Atwesh arose and went forth alone, taking with him none but myself. As he went along, he said to me, "Indeed, this [woman] is a fat piece of meat." (109) And we gave not over going till we came to the door of the house and stood there till a slave-girl came out, as if to buy them somewhat. We waited till she opened the door, whereupon, without further parley, we forced our way into the house and rushed in upon the girl, whom we found seated with the Jew in a saloon with four estrades, and cooking-pots and candles therein. When her eyes fell on the prefect, she knew him and rising to her feet, said, "Welcome and fair welcome! Great honour hath betided me by my lord's visit and indeed thou honourest my dwelling." Weaver who became a Physician by his Wife's Commandment, The ii. 21..? ? ? ? ? I'm the keeper of the promise and the troth, And my gathering is eath, without impede..?THE ELEVENTH OFFICER'S STORY..The old woman returned to the man and told him what the damsel said; and he lusted after her, by reason of her beauty and her repentance; so he took her to wife, and when he went in to her, he loved her and she also loved him. On this wise they abode a great while, till one day he questioned her of the cause of a mark (13) he espied on her body, and she said, 'I know nought thereof save that my mother told me a marvellous thing concerning it.' 'What was that?' asked he, and she answered, 'She avouched that she gave birth to me one night of the nights of the winter and despatched a hired man, who was with us, in quest of fire for her. He was absent a little while and presently returning, took me and slit my belly and fled. When my mother saw this, affliction overcame her and compassion possessed her; so she sewed up my belly and tended me till, by the ordinance of God (to whom belong might and majesty), the wound healed up."? ? ? ? ? Or if to me "I'm absent" thou sayest, "Tis a lie," My heart replies, bewildered 'twixt doubt and certainty..'Hearkening and obedience,' answered El Ased and flew till he came to the Crescent Mountain, when he sought audience of Meimoun, who bade admit him. So he entered.. and kissing the earth before him, gave him Queen Kemeriyeh's message, which when he heard he said to the Afrit, 'Return whence thou comest and say to thy mistress, "Be silent and thou wilt do wisely." Else will I come and seize upon her and make her serve Tuhfeh; and if the kings of the Jinn assemble together against me and I be overcome of them, I will not leave her to scent the wind of this world and she shall be neither mine nor theirs, for that she is presently my soul (243) from between my ribs; and how shall any part with his soul?' When the Afrit heard Meimoun's words, he said to him, 'By Allah, O Meimoun, thou hast lost thy wits, that thou speakest these words of my mistress, and thou one of her servants!' Whereupon Meimoun cried out and said to him, 'Out on thee, O dog of the Jinn! Wilt thou bespeak the like of me with these words?' Then, he bade those who were about him smite El Ased, but he took flight and soaring into the air, betook himself to his mistress and told her that which had passed; and she said, 'Thou hast done well, O cavalier.' So saying, he spat in her face and went out from her; whilst Shah Khatoun made him no answer, knowing that, if she spoke at that time, he would not credit her speech. Then she humbled herself in supplication to God the Most High and said, 'O God the Great, Thou knowest the hidden things and the outward parts and the inward' If an advanced term (137) be [appointed] to me, let it not be deferred, and if a deferred one, let it not be advanced!' On this wise she passed some days, whilst the king fell into perplexity and forsook meat and drink and sleep and abode knowing not what he should do and saying [in himself], 'If I kill the eunuch and the youth, my soul will not be solaced, for they are not to blame, seeing that she sent to fetch him, and my heart will not suffer me to slay them all three. But I will not be hasty in putting them to death, for that I fear repentance.' Then he left them, so he might look into the affair..Therewithal he ordered her a handsome house and bade furnish it with carpets and other furniture and vessels of choice and commanded that all she needed should be given her. This was done during the rest of the day, and when the night came, she despatched the eunuch with the mule and a suit of clothes, to fetch Nouredin from the Muezzin's lodging. So the young man donned the clothes and mounting; rode to the house, where he abode in luxury and delight a full-told month, what while she solaced him with four things, to wit, the eating of fowls and the drinking of wine and the lying upon brocade and the entering the bath after copulation. Moreover, she brought him six suits of clothes and fell to changing his apparel day by day; nor was the appointed time accomplished ere his beauty returned to him and his goodliness; nay, his charms waxed tenfold and he became a ravishment to all who looked on him..When the Khalif heard his verses, he took the cup from his hand and kissed it and drank it off and returned it to Aboulhusn, who made him an obeisance and filled and drank. Then he filled again and kissing the cup thrice, recited the following verses:..Then the eunuchs went forth, that they might perfume the bath [for the use of the brides]; so they essenced it with rose-water and willow-flower-water and bladders of musk and fumigated it with Cakili (191) aloes-wood and ambergris. Then Shehrzad entered, she and her sister Dinarzad, and they cleansed their heads and clipped their hair. When they came forth of the bath, they donned raiment and ornaments, [such as were] prepared for the kings of the Chosroes; and among Shehrzad's apparel was a dress charactered with red gold and wroughten with semblants of birds and beasts. Moreover, they both encircled their necks with necklaces of jewels of price, in the like whereof Iskender (192) rejoiced not, for therein were great jewels such as amazed the wit and the eye, and the thought was bewildered at their charms, for indeed, each of them was brighter than the sun and the moon. Before them they kindled lighted flambeaux in torch-holders of gold, but their faces outshone the flambeaux, for that they had eyes sharper than drawn swords and the lashes of their eyelids ensorcelled all hearts. Their cheeks were rosy and their necks and shapes swayed gracefully and their eyes wantoned. And the slave-girls came to meet them with instruments of music..? ? ? ? ? How many a mirth-exciting joy amid The raiment of ill chances lies in wait!.29. Maan ben Zaideh and the three Girls dxxxii
